Wake Forest Career Readiness Lab 2019-2020 Parent/Student Agreement

PLEASE READ THE FOLLOWING AND SIGN

I understand the purpose of the Wake Forest Career Readiness program. If selected, I will devote the time and resources necessary to complete the program. Even though emergencies do arise, I will make every effort possible to attend all sessions. If accepted into the Wake Forest Career Readiness program, I understand this program has been made possible by a grant from the U.S Chamber of Commerce Foundation. These funds will support all meals, speakers, materials, graduation, and administrative fees. These funds allow this experience to be free of charge for the participants. All accepted applicants will sign a final agreement which provides the entire commitment to the program.

This is a Wake County Schools and select charter and private schools approved program and participation in the activities will not count as an absence. However, if you don't attend Heritage, Wake Forest, Wakefield, Roseville High School, Franklin Academy and Thales Academy you will be required to seek approval, from your local school, for the dates to be excused.

I understand the above commitments and agree to be bound by them in signing this application.
